

PREACHING AND PRACTICE.
It is easy to sit in the sunshine
And talk to the man in the shade.
It is easy to float in a well trained boat,
And point out the places to wade.
But once we pass into the shadows,
We murmur and fret and frown,
And, our length from the bank, we shout for
a plank.
Or throw up our hands and go down.
It is easy to sit in your carriage
And counsel the man on foot.
But get down and walk and you'll change
your talk.
As you feel the pag in your boot.
It is easy to tell the teller
How best he can carry his pack,
But no one can rate a burden's weight
Until it has been on his back.
The up-cried mouth of pleasure
Can prate of sorrow's worth;
But give it a slip, and a wryer lip
Was never made on earth.

C. and O. Loses Suit

The judgment of the Lewis Circuit Court
was reversed by the Court of Appeals in the
case of L. P. Plummer against the Chesapeake
and Ohio Railroad of Kentucky, Judge Carroll
holding that Section 765 of the Kentucky
Statutes had not been complied with when the
C. and O. Railroad Company of Virginia pur-
chased the C. and O. Railroad Company of
Kentucky in July, 1907. Plummer had been
injured while loading tan bark in a freight
car on the C. and O. Railroad in Lewis county
and secured \$1,500 damages. The Railroad
Company offered as its defense the fact that
the suit had been brought against the C. and
O. Railroad Company in Kentucky, when it
should have been brought against the C. and O.
Railroad Company in Virginia.

A VISIT
 To J. C. Cablish & Bros.' Hatchery Will Pay You—Pretty Sight

To those who have never witnessed the modern operandi, the manner of producing chickens by the incubator process is an interesting and novel one, and certainly worth seeing. Cablish Bros., the Third Street grocers, have installed a hatchery in the rear of their store room, fitted with all the necessary machinery for the purpose. Yesterday was the day for coming forth of the twenty-one days setting—or you may call it another name if you like—and to see the eggs shell open and the wee, fuzzy chick step forth and chirp, was an odd and pretty sight. About seventy-five were brought forth yesterday, and in two minutes after coming out of the shell they were hopping about as lively as crickets. Drop in and take a look, you will not regret it.

EATS WHAT HE LIKES AFTER TAKING FREE SAMPLE

It will be welcome news to dyspeptics to learn of a remedy that in the opinion of thousands, is an absolute cure for indigestion and all forms of stomach trouble, and, better still, it is guaranteed to do so. The remedy is Dr. Caldwell's Syrup Pepsin.

We all know the value of pure pepsin in indigestion, and add to this some exceptional laxative ingredients and you have a truly wonderful remedy. Mr. T. W. Worthy of Forsyth, Ga. got to the point where he could not even eat or digest vegetables and after many years of seeking he found the cure in Dr. Caldwell's Syrup Pepsin. Mr. Rudy Kaesner of Moline, Ill., was in the same bad predicament with his stomach took Syrup Pepsin and is now cured. Hundreds of others would gladly testify.

It is a guaranteed cure for indigestion, constipation, biliousness, headaches, gas on the stomach, and similar complaints. A bottle can be had at any drug store for fifty cents or a dollar, but if you wish to make a test of it first send your address to Dr. Caldwell and he will supply a free sample bottle sent direct to your address. You will soon admit that you have found something to relieve your catarrhes, breath, perfumes and other temporary ailments. Syrup Pepsin will cure you permanently.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or a free sample address him, Dr. W. B. Caldwell, 541 Caldwell building, Monticello, Ill.

THEY are going after the vote-sellers in Floyd county. Why always the "vote-sellers?" Why not the vote-buyers for a change?—Louisville Herald.

The matter of building a new County Infirmary and securing a higher and better location is a very easy matter. Now that the Grand Jury has condemned the Infirmary, the Fiscal Court should go ahead and purchase new grounds and sell the present site, which is quite valuable, and erect a new County Infirmary. The "initiative and referendum" is not needed, at least the referendum part of the game. It is a matter of necessity and expediency; the health and the lives of the inmates are at stake. It is up to the Fiscal Court to act now, and at the very first session of that body the start should be made and the plans outlined for the securing of a "Bluegrass site" near Washington, where the farming and water are good and where the unfortunates may have a home worthy of the name.

18,000,000 POUNDS
 Will Be the Total Sales at Maysville This Season—125,000 Pounds of Missouri Weed on Sale Today

Mr. A. H. Stickle of The Farmers' Loan and Trust Company, New York, has informed that the total sale of tobacco at his house will reach about 10,000,000 pounds this season, about double those of last year.

Manager Jones of the Tuck-Lo Warehouse informs us that he will have 125,000 pounds of Platte county, Missouri, tobacco on sale today at his house.

He says the Missouri weed is superior in texture, color and oil to the Kentucky Burley and that the yield is 2,000 pounds to the acre. The average price obtained in the Maysville market for this tobacco has been \$9.60 per hundred, which is a dollar or two higher than our tobacco sells for.

Mr. Jones says he has 400,000 pounds of Missouri tobacco to go on sale and that his total sales of Missouri weed will reach 1,000,000 pounds.

The total sales this season at the Tuck-Lo will reach nearly 8,000,000 pounds.

It will be a month yet before the spring sales close.

A Guarantee To Rheumatics

Treatment of Rheumatism Revolutionized by Simple Remedy Which is Absolutely Guaranteed.

Startling new features are presented in the new remedy called D-M-F, which has lately been the subject of wide attention among those afflicted with rheumatism and lumbago, gout and neuralgia. Physicians, too, have given this remedy an approval which

has never been accorded to other rheumatic treatments. Dr. C. W. Beson, prominent in Oklahoma and the Southwest for his success in the treatment of rheumatism states that he is willing to stake his professional reputation on the fact that D-M-F will cure even so-called incurable cases. D-M-F has produced results almost unbelievable. Not only for fresh, new cases, but also for long chronic and serious cases has it proved one of the most remarkable remedies ever produced. It has the unique feature of "signaling" to the patient by means of peculiar symptoms, the progress of uric acid elimination.

C. H. Fargo, of Warsaw, N. Y., says: "I had rheumatism about seven years. I started 'D-M-F' and by George inside of six weeks, I was cured." C. T. Watkins, also of Warsaw, N. Y., says: "I suffered with terrible rheumatism for five years, all crippled up for days at a time. I began taking 'D-M-F' and felt an improvement within two days, and two bottles cured me. My case was a bad one."

D-M-F is guaranteed as to results. Many of the most terrible cases imaginable have been quickly conquered by its peculiar, powerful, yet safe action, in two or three weeks.

D-M-F is absolutely free from opiates or dangerous drugs. Read about its wonderful action in the circular packed in every D-M-F carton. Read the guarantee.

Get D-M-F at your druggist's at \$1.00 a bottle. If you are satisfied with it, as you will be, get 6 bottles for \$5.00, and get rid of your affliction. If your druggist can not supply you, it will be sent on receipt of price by the D-M-F Medicine Co., 2715 Lincoln Ave., Chicago, Ill. The first bottle will convince every sufferer.

D-M-F is recommended and sold in Maysville by J. James Wood & Son.

At Dover 350 hogheads of pooled Burley tobacco have been shipped during the past ten days to the Cincinnati market to be sold.

CHAPTER OF ACCIDENTS

Barn and Seven Horses Burned—Negro Asphyxiated While Sleeping on a Live Cinder Bank—Fire Alarm From District No. 36

The bright light in the Southern sky this morning between 3 and 4 o'clock was caused by the burning of Mr. Joseph R. Davis' dairy barn, situated on the Hill City pike three miles from Maysville.

The conflagration was the result of a stroke of lightning, and when discovered by Mr. Davis the flames were under full headway, and, notwithstanding he succeeded in freeing the eight head of horses, seven of the number ran back into the barn and were burned to death, together with a lot of farming implements and other contents.

Mr. Davis' loss is estimated at \$1,200, with an insurance of \$300 in the Mason County Mutual Insurance Company.

Victor Caldwell, aged between 25 and 30 years, whose home is in Cynthia, Ky., was found dead this morning about 5 o'clock by a C. and O. brakeman. The body was lying on the live cinder bank near the water tower at the West End C. and O. Depot, where, it is supposed, the man being drunk—he found a warm spot and layed down to sleep off his debauch and was asphyxiated from the fumes and gases arising from the smouldering cinder pile.

It is said the dead man belonged to Wells' construction crew, now working on the C. and O. near the coal docks in the East End.

His body was removed to Coughlin & Co.'s undertaking rooms, where Coroner Slack will hold an inquest today.

Last night a few minutes after 10 o'clock an alarm was sent in from District No. 36. The calling out of the Department was caused by sparks flying and thick clouds of smoke filling the street in East Second in the vicinity of Eagle Hall and Dickson & Co.'s livery stable. Chief Hite and crew and the Kinney Mac were there to do business, but when the smoke lifted and the sparks ceased flying in the air, it was seen their services were not needed.

Hair Health

If You Have Scalp or Hair Trouble, Take Advantage of This Offer

I could not afford to so strongly endorse Rexall "93" Hair Tonic and continue to sell it as I do, if it did not do all I claim it will. Should my enthusiasm carry me away, and Rexall "93" Hair Tonic not give entire satisfaction to the users, they would lose faith in me and my statements, and in consequence my business prestige would suffer.

I assure you that if your hair is beginning to unnaturally fall out or if you have any scalp trouble, Rexall "93" Hair Tonic will promptly eradicate dandruff, stimulate hair growth and prevent premature baldness.

My faith in Rexall "93" Hair Tonic is so strong that I ask you to try it on my positive guarantee that your money will be cheerfully refunded if it does not do as I claim. Two sizes, 50c and \$1.00. Sold only at my store—The Rexall Store, Thos. J. Chenoweth, Second and Sutton streets.

ANSWER IT HONESTLY

ARE THE STATEMENTS OF MAYSVILLE CITIZENS NOT MORE RELIABLE THAN THOSE OF UTTER STRANGERS?

This is a vital question. It is fraught with interest to Maysville. It permits of only one answer. It cannot be evaded or ignored. A Maysville citizen speaks here. A citizen's statement is reliable. An utter stranger's doubtful. Home proof is the best proof. Mrs. Elmer Bridges, 206 West Third street, Maysville, Ky., says:

"I consider Doan's Kidney Pills an excellent remedy and one that deserves a trial by anyone afflicted with disordered kidneys. I was subject to attacks of kidney complaint from childhood, and as I grew older the trouble became more severe. In my efforts to find relief I tried remedy after remedy, but no benefit was obtained until I began using Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore. They proved to be just what I needed, going directly to the seat of my trouble and entirely relieving me. I always keep a supply of Doan's Kidney Pills on hand."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

MEN MAY ARGUE
Till doomsday, but wiser womankind know that a sack of Magnolia Flour means better baking and more of it than can be obtained from any other flour. The proof is easy. Order a sack for use in your own household. If you don't enjoy the baking from it more than you ever did before, there is something wrong with your taste.
